

## 10 Steps to Finding Your Why

1. What do you enjoy?
2. What are you passionate about?
3. What factors are important to you in a career?
4. Take and review an online assessment.
5. Talk with adults in your lives.
6. Research career paths.
7. Consider a career academy.
8. Do a job shadow and internship.
9. Participate in school activities.
10. Have fun...be curious.
