Federal Student Aid ID (FSA ID)

If the student is dependent (typically under the age of 24), both the student and one parent will need a Federal Student Aid ID (FSA ID). Your dependency status determines whose information you must report on the Free Application for Federal Student Aid (FAFSA) form. Dependency status questions can be viewed here: <https://studentaid.gov/apply-for-aid/fafsa/filling-out/dependency>.

High School Seniors: Use a personal e-mail account to create your FSA ID instead of a high school e-mail account. Many high school e-mail accounts will expire after graduation.
